CABLCON
AN IEWC COMPANY

BABA ACT COMPLIANT
BUILD AMERICA, BUY AMERICA

WHAT ARE THE BABA GUIDELINES?

- Materials must be both sourced and manufactured predominately from within the United States.
- 65% of the cost of components must be sourced in the US.
- Applied to the BEAD's (Broadband Equity Access and Deployment Program) $24.45 billion budget regulating government funded broadband infrastructure projects.
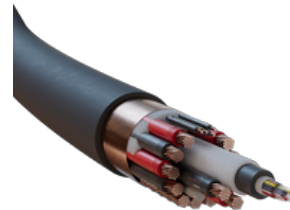

CABLCON is a quick turn custom cable & assemblies manufacturer meeting BABA program regulations

TESTED TO MEET THESE STANDARDS
