

Material Handling Equipment

Wire, Cable & Wire Management Solutions

Festoon Cable

- PVC insulation and PVC jacket
- 105°C, 600 Volts
- Standard colors available: black and yellow
- UL & CSA approvals

Pendant and Reel Cable

- PVC/Nylon insulation and PVC jacket
- Available with or without steel support
- 90°C, 600V
- Standard color available: yellow
- UL & CSA approvals

Portable Cord

- EPDM insulation and CPE jacket
- Available with or without steel support
- 90°C, 600V
- Standard color available: black
- UL, CSA and MSHA approvals

Type W Cable

- EPR insulation and CPE jacket
- 90°C, 2000V
- Standard color available: black
- ICEA, CSA and MSHA approvals

Cable Grips

- Integral sealing ring ensures superior seal to resist salt water, weak acids, gasoline, alcohol, oil, grease and common solvents
- IP 68 rated; approved for NEMA 4, 4X, 6 and 6P applications
- Multiple sizes: flexible cord diameters ranging from .065" (1,7 mm) to 1.560" (39,6 mm)

Machine and vehicle components that operate in the material handling industry are constantly exposed to extensive bending, flexing, vibration, tension, abrasion and other harsh environmental stresses which can cause costly breakdowns or machine downtime, leading to production loss and unforeseen maintenance expenses. Cranes, mobile equipment and tools must operate flawlessly and efficiently in these demanding environments anywhere in the world. The wire and cable you choose play a critical role in the reliability and performance of your equipment. Raise your productivity with IEWC and our full line of wire, cable, and wire management products for manufacturers and sub-assemblers throughout the material handling industries.

The **RIGHT** products, delivered when you **NEED** them!

With local expertise and a global network of distribution centers, IEWC provides the quality and the service you need to get the job done right. Contact IEWC today to learn more about our solutions for the material handling market.

Cranes and Hoists Market Applications:

Flexible Power & Control Circuits

- Festoon and reeling cable
- Power cable
- Control and motor supply cable
- Bare copper
- Wire management products

Cable Track

- Data and instrumentation cable
- Wire management products

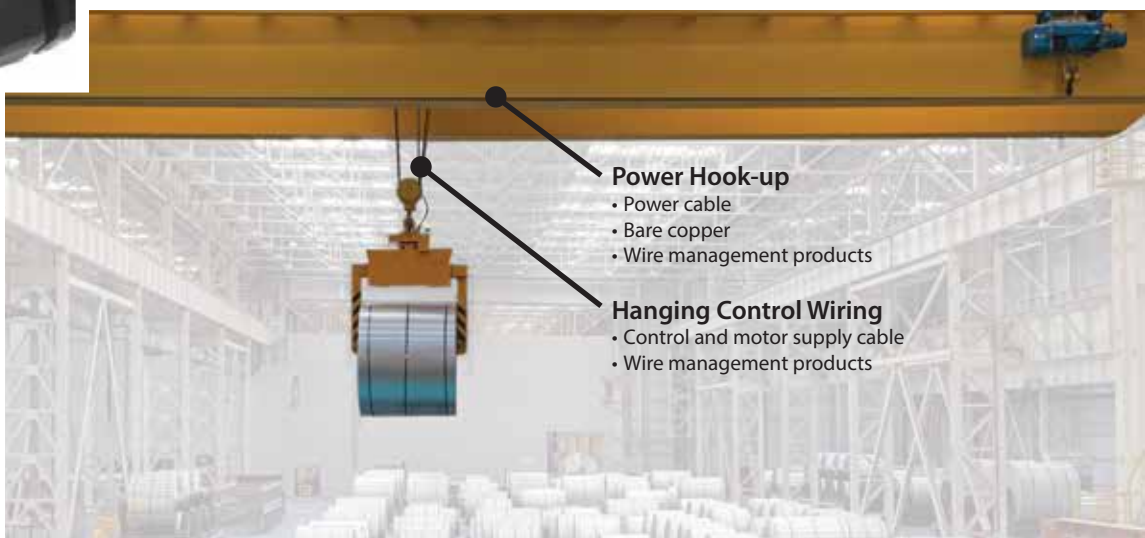

Power Hook-up

- Power cable
- Bare copper
- Wire management products

Hanging Control Wiring

- Control and motor supply cable
- Wire management products

Forklifts & Industrial Trucks Market Applications:

Flexible Power & Control Circuits

- Power cable
- Control and motor supply cable
- Wire management products

Data & Information Transmission

- Data & communications cable
- Fiber optics
- Wire management products

Power & Battery Components

- Power cable
- Battery cables
- Lead wires

Power & Control Circuits

- Power cable
- Control cable
- Wire management products
- Lead wire

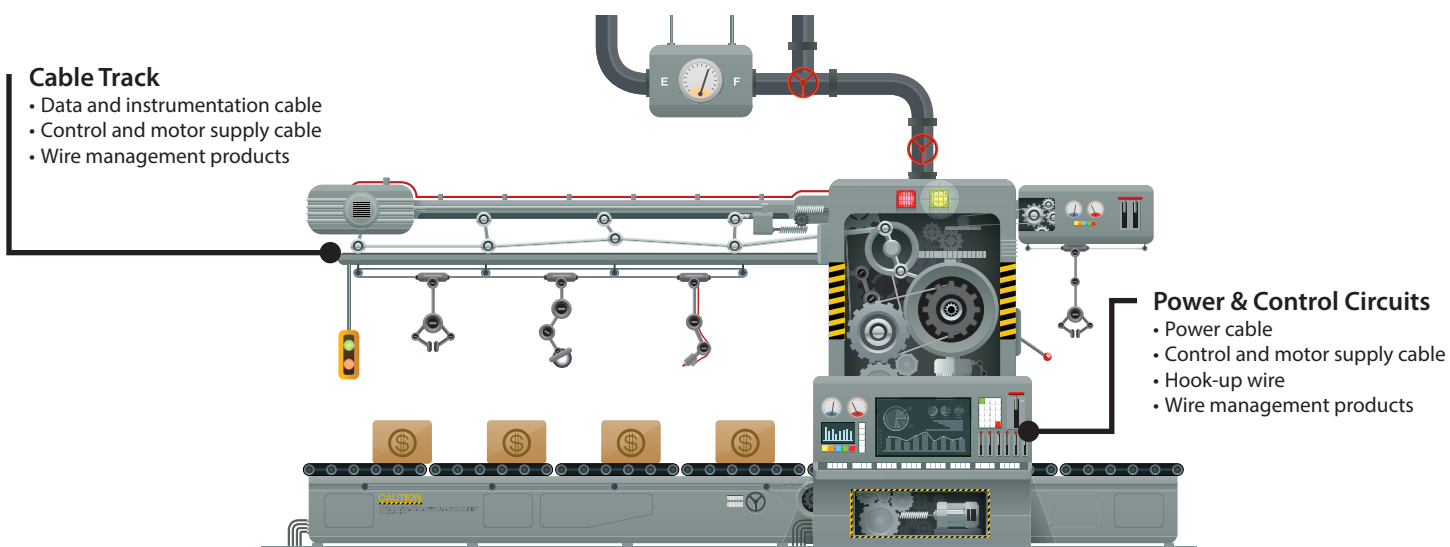

Conveyor Systems Market Applications:

Cable Track

- Data and instrumentation cable
- Control and motor supply cable
- Wire management products

Power & Control Circuits

- Power cable
- Control and motor supply cable
- Hook-up wire
- Wire management products

Many other wire, cable and wire management products available from stock. Consult your IEWC Sales Representative for detailed specifications on each product.
